Dear Sir -

I was attending Toronto University during the terms 1914-1916, when I enlisted. I am now endeavoring to secure a commission in the R.N.A.S., who wish a letter of recommendation, or certificate of character from the head of the last educational institution attended. If you would be so good as to send me a letter with such statements, I should be very much indebted to you.

Very truly Yours
W Maxwell Smith

I am informed that Mr W Maxwell Smith is applying for a commission in the R.N.A.S. and that it is advisable for him to have a letter of recommendation from me. I have much pleasure in sending him such a certificate. Mr Smith has university standing that permits him to enter the third year in the Faculty of Applied Science. The records of the Office show that he was an exceptionally good student; I should therefore judge that he has the qualifications of attainment and character which would fit him well for the commission for which he is applying.

President.
